Bayer Properties Names Scott Laslo Vice President of Asset Management

BIRMINGHAM, AL – January 29, 2013— Scott Laslo has joined Bayer Properties as Vice President of Asset Management. Scott has 32 years of experience in the commercial real estate and retail industry, most recently with Forest City Enterprises, where he held positions of Vice President/General Manager and Regional Vice President, overseeing the Western portfolio. Prior to Forest City, Scott worked in an Asset Management capacity with Hycel Properties, JMB Properties, and The Hahn Company.

Scott's Asset Management role at Bayer Properties will focus on value creation and oversight of the company's growing portfolio of over 10 million square feet. Responsibilities will include strategic planning, financial performance and reporting, property management, training and development, plus owner, tenant and vendor relations.
